DDD25

This year we decided to host and organise the internationally famous Drupal Developer Days, in Leuven, the oldest university city of Belgium from the 15th of April 2025 until the 18th of April 2025.

We expect to have around 250-350 attendees throughout the four days. We expect attendees from all over the world, with the majority coming from the Benelux. With affordable tickets, we are giving everyone the opportunity to join us in the heart of Europe to celebrate Drupal for four days together. It's a good opportunity to stay tuned to the latest things that are happening around the community and the project itself. It looks like experience builders early access will be open close to the event. The most influential speakers from the community from all around the world will come and share their experience, so you will get the best information first hand. You will also have the chance to present yourself to Drupal developers in the region, so if you are looking to hire talented Drupalers, this is the place to be!

Intro

DRUPAL
DEVELOPER
DAYS

Serving as an Official Partner of Drupal Developer Days Belgium will also increase the equity of your brand as a company or organisation that supports one of the fastest-growing open source software communities in the world. Whether you're new to the community, a long term member, or are just curious to see what all the fuss is about, we have a place for you.

Why

We've designed the sponsorship packages to provide highly targeted branding, lead generation and talent recruitment at a price point which makes sense for your company. It's also a great moment to present your development tooling, hosting solutions or other that you are offering to this audience. Drupal Developer Days is a non-commercial event and your contribution is vital for our success. The event is organized and run entirely by volunteers, but there are obviously costs to be covered.

Packages

Here you can find an overview of the sponsor packages we put together, along with information about what you can expect in return. Note that the number of packages per level is limited to provide maximum value, and will be served on a "first come - first served" principle.

Special Packages

€ 800

Healty Snacks (2x)

Provide nutritious & healthy food to Drupal Developer attendees. We'll display a poster of our sponsor at the desk where we'll offer our fruit and healthy snacks. This is valid for 2 days.

€ 800

Coffee (2x)

Give our attendees the necessary shot of caffeine to keep them going through the day. This sponsor can place a small banner / advert at the serving table. This is valid for 2 days.

€ 800

Social Night (3x)

The social night sponsors will get great coverage whilst also refreshing the Drupalists. This includes placing your banner at the social event and option to distribute promotional material to attendees.

€ 1300

Contribution Room

Display a roll-up or banner in the contribution room during the entire event, including the final contribution day. This will give you exposure all day to the people making Drupal.

€ 1300

Education track

Display a roll-up or banner in the student/education track, which will only run for a day, but it will put your brand in front of upcoming talent.

Thank you!

Work with us

We are really looking forward to welcoming you as one of our beloved sponsors, and helping us make this an unforgettable event.
